

MP REFRESH

10 - 1 - 0 + 10 Ca + 1.5 B + VM3

Plant Recovery and Rejuvenation

UNIQUE FEATURES

- Highly effective soil and plant enhancing liquid fertiliser
- Foliar nitrogen, calcium and boron product with optimal pH to maximise leaf uptake
- Clean liquid product that is easy to apply via boom spray
- Quick to medium release of N, Ca and B
- Highly available and biologically active soil calcium

THE FUNCTIONS OF MP REFRESH FERTILISER

- An increase in root mass and root hair activity
- Increase in microbial activity
- Assists in the recovery from environmental stresses

LIQUID NUTRITION

SHAKE WELL BEFORE USE

VM3 ORGANICS + CALCIUM

MP REFRESH delivers freely available calcium along with protein based organic nitrogen to strengthen turf and correct calcium deficiency fast. Calcium is an essential element for strengthening cell walls and subsequently enhancing stress resistance. MP REFRESH contains VM3, a proprietary organic technology that enhances nutrient availability, longevity and compatibility for better turf performance. VM3 is a product of fermentation that incorporates several beneficial bacteria, trace minerals and plant stimulants. In this process, nitrates are converted to protein N, for increased stability, longevity and turf safety when applied to foliage.

DIRECTIONS FOR USE

Contains humates, kelp, plant stimulants and calcium.

SITUATION	RATE/HA	COMMENTS
Foliar application: Greens, fairways and all sports and amenity turf	20-40 L	Apply in a minimum of 150-500 L/ha
Drench application:	40-100 L	Apply in 500-800 L/ha

Read the entire label before use.

NUTRIENT ANALYSIS

Total Nitrogen	10%
Total Phosphorus	1%
Total Potassium	0%
Total Calcium	10%
Total Boron	1.5%

STATEMENT OF CONTENTS

This product contains a minimum of 10% Nitrogen, 1% Phosphorus and 0% Potassium. Calcium Nitrate Tetrahydrate (60-60% - CAS Number: 13477-34-4) + Boric Acid Anhydrous (<1% - CAS Number: 10043-35-3).

DANGER

SAFETY DIRECTIONS

Causes serious eye damage. Harmful if swallowed. Suspected of damaging fertility or the unborn child. Keep out of reach of children. Read label before use. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wash hands with soap and water thoroughly after handling. Do not eat, drink or smoke when using this product.

Response

If medical advice is needed, have product container or label at hand. IF SWALLOWED: Immediately call a POISON CENTER or doctor. IF exposed or concerned: Get medical attention. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor. Rinse mouth.

STORAGE AND USE

Store in clean, dry place. Do not leave unused product in sprayers. Store in a protected place. Thoroughly clean containers prior to disposal. Store locked up.

WARRANTY & DISCLAIMER

Buyer assumes all responsibility for safety and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, infectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond seller's control. In no case shall the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.
