Stomp[®] Xtra

Herbicide

The improved formula for successful pre- emergent protection

- Unmatched pre-emergent control crowsfoot (crab grass), summer grass and winter grass in a liquid formulation
- Virtually no odour with reduced risk of staining
- Low volatility enabled by a unique capsule formulation
- Concentrated formulation reduces application rates and simplifies transport, storage and handling

We create chemistry

Stomp® Xtra

Herbicide

Stomp® Xtra is an advanced, low-staining formulation of pendimethalin, a well-established and widely used pre-emergent herbicide. With less volatility and a higher concentration than the original herbicide, Stomp Xtra is one of the most efficient and convenient formulations available. Offering unmatched control of Crowsfoot, Summer grass and winter grass in various turf situations, Stomp Xtra is essential for inclusion in your weed control program.

6. ESTABLISHED TURF

Crop	Weeds Controlled	State	Rate/ Treated Ha	Critical Comments
