

CHALLENGER
PREMIUM TURF SEED

MP TOURNAMENT

Rye & Fine Fescue Blend

DESCRIPTION

MP TOURNAMENT is designed specifically for amenity use in parks and lawns. The blend of premium fine turf ryegrass and fine fescues provides a durable grass for both irrigated and non-irrigated areas. The premium ryegrasses, chewings – and strong creeping red fescue combination delivers diverse characteristics, making MP TOURNAMENT suitable for use in a wide variety of conditions.

USES

- Amenity Parks
- High Profile Lawns
- Golf Tees
- Home Lawns
- School Grounds

COMPOSITION

- 70% Premium fine turf perennial ryegrass
- 15% Chewings fescue
- 15% Strong creeping red

UNIQUE FEATURES

- Mid-dark green colour
- Fine dense and lush sward
- Diverse blend for year-round green
- Fast germinating and quick establishing
- Tolerates close mowing, sun and shade
- Excellent wear properties

SEEDING RATES

Bare ground:
30 to 50 g/m²
3 to 5 kg/100m²
300 to 500 kg/ha

Rye & Fine Fescue Blend

ESTABLISHMENT AND GROW-IN TIPS

To ensure full realisation of the seed genetics, it is critical to supply suitable nutrition to the germinating and establishing seedling. Consider these steps and ask your Technical Representative for more details.

1. Apply **MP ROOTS + MP REINFORCE + TriCure AD** directly over the top of newly sown seed
 2. Apply **MP TURF STARTER** 7 to 10 days later
- **MP ROOTS** delivers an accessible balanced nutrition package in combination with rhizosphere stimulating bacteria and VAM (Vesicular Arbuscular Mycorrhizas).
 - **MP REINFORCE** delivers readily available silica for deposition in early roots and leaves, encouraging seedling strength and vitality.
 - **TriCure AD** increases water uptake for faster germination, while promoting uniform water distribution in the germination zone to ensure the seedling has unincumbered access to water and nutrients. Increased root mass and length has been documented (Rutgers University, 2001).
 - **MP TURF STARTER** is perfect as the nutritional base in the soil to set the seedlings up for the entire growing season.
